Product Details

24/7 Access

Reкуро physicians are available whenever our patients need them, day or night.

Electronic Rx Ordering

Prescriptions are immediately sent to the patient's preferred pharmacy for easy pickup.

Consult Transcriptions

Consults can be recorded and transcribed, allowing patients continuous access to information.

Multi-Channel Options

Live video, phone, and messaging options let each patient receive care the way they like.

RECURO
HEALTH

Coordinated

If needed, urgent care can seamlessly transition to Recuro's ongoing virtual primary care to improve patient health and preempt future issues.

Convenient

Patients can see a board-certified physician wherever they are, whenever they need it.

Personalized

Patients receive treatment plans based on their unique needs and can ask follow-up questions to their doctors after the visit, free of charge.
